#### FULL SERVICE

The Millard Group is a unique company that has attained prominence in the field of building maintenance by supplying a full range of high quality janitorial, window and metal maintenance services to commercial real estate, malls, universities, hotels, and financial institutions.

#### THE MILLARD GROUP PROFESSIONAL SERVICES INCLUDE:

- Window Cleaning
- Metal Refinishing and Restoration
- Janitorial Cleaning
- Marble Restoration and Maintenance

Communication is paramount in service relationships, and The Millard Group's communication system ensures that all clients receive efficient and responsive service every day of the year.

#### WINDOW CLEANING

Founded in 1915 under the name Chicago Window Cleaning, The Millard Group was one of the first window cleaning companies in Chicago. Since then, we have remained the industry leader ... maintaining the window facades of over a third of Chicagoland's finest buildings.

As one of the first window cleaning companies in Chicago, we have pioneered the development of many techniques to ensure the safety of our people and protect the interests of our customers. We offer expert cleaning of Exposed Glass, Pipes, HVAC vents and Structural Steel at any height and of any size or shape.

#### METALS

Metal Professionals at The Millard Group offer a complete spectrum of services from routine cleaning to complete metal restoration. From your front entrance to decorative accents, our crews will make your building shine.

#### THE MILLARD GROUP METAL MAINTENANCE SERVICES INCLUDE:

- Architectural bronze, stainless steel and aluminum refinishing.
- Cleaning, polishing and highlighting of all types of metals.
- Metal maintenance programs designed specifically for your needs.
- Exterior metal curtain wall building facade cleaning and coating.
- Application of high performance paints and coatings.

Our crews are equipped to handle all metal maintenance and restoration issues that may arise.

We are an environment-friendly company using sustainable methods to properly remove and dispose of hazardous chemical waste.

#### UNPARALLELED SERVICE

Our clients benefit from an in-depth, follow-up analysis conducted by regional and executive management. This analysis identifies any modifications recommended in the client's maintenance program.

We have a solid core of experienced executives in our home office and on our regional management team, who are readily available to our customers.
